

Firm Foundation Christian Cooperative Handbook

The Board of Members of Firm Foundations Christian Cooperative has developed this handbook in order to help our cooperative to be God-honoring, to run smoothly, and to serve all members - students and adults alike - for mutual joy and edification as we stand together on our Firm Foundation Who is Christ. Each family at Firm Foundation Christian Cooperative will have the opportunity to offer suggestions and vote on any changes to the Handbook as adjustments to these policies, procedures, and guidelines become necessary.

MISSION STATEMENT:

We are a community of Christ-following families who have a desire to glorify God and be intentional and authentic as we cooperate to raise the next generation.

STATEMENT OF FAITH:

The Scriptures:

We believe that the sixty-six books of the Old and New Testament to be the full record of God's self-disclosure to mankind that was written by men who were divinely inspired by the Holy Spirit and is inerrant in the original writings. Scripture is fully trustworthy as our final and sufficient authority for all of life. (2 Timothy 3:16-17; 2 Peter 1:20-21)

The Triune God:

We believe that there is one, and only one, living and true God, eternally existing in perfect unity as three equally and fully divine Persons: The Father, the Son, and Holy Spirit. (Matthew 28:19-20)

God the Father:

We believe that God the Father created all things in six literal days for His glory according to his own will, through his Son Jesus Christ. (Genesis 1; Revelation 4:11)

God the Son:

We believe that Jesus Christ, the Eternal Son, present in the beginning with God the Father, moved by love and the will of the Father was born of the virgin Mary through the miraculous work of the Holy Spirit; he took on human flesh being fully God and fully man, lived a sinless life on this earth while enduring persecution and pain, died as a sacrifice by shedding his blood as he died on a cross in our place for the redemption for all who place their faith in Him. He arose from the dead three days later, in bodily form and ascended into heaven, where he is seated at the Father's right hand. (*John 1:1,14, 18*)

God the Spirit:

We believe that the Holy Spirit, glorifies the Lord Jesus Christ during this age. He convicts the world of sin, righteousness, and judgement and calls the unsaved to repentance, faith, and dwells within those that confess faith in Jesus Christ. The Holy Spirit bestows spiritual gifts to the believer for Christ-like living and service to him. (*John 16:8; 13:15; Romans 8: 9-17; Ephesians 1:22; Titus 3:5*)

Mankind:

We believe that God created mankind (male and female) in His own image and likeness, to be free of sin, enjoy His fellowship and to give Him glory.

Man was tempted by Satan and in the sovereign plan of God, man freely disobeyed God and brought sin, death and condemnation to all mankind. This sin separated man from God which has caused all of mankind to be in desperate need of a Savior. (*Genesis 3:1-6; Romans 1:18, 32; Romans 3:10-19; Romans 5:12*)

Salvation:

We believe that the Lord Jesus Christ died as a sacrifice for our sins according to the Scriptures, as a substitutionary atonement in our place, and that salvation is found in only Jesus Christ. Jesus Christ's death on the cross was the sole and complete payment for sins, fully satisfying God's righteous wrath, for each person that turns from sin in repentance and places their faith in Christ alone by grace alone. Genuine faith continues in obedience and love for Jesus Christ with a life that is focused on glorifying God until the end of this life. (*Romans 8:37-39; 2 Corinthians 5:21*)

The Church:

We believe that once a person places faith in Jesus Christ as Savior, the believer becomes part of the Body of Christ, the one universal Church, which Jesus Christ is the Head.

The Scriptures command believers to gather locally in order to devote themselves to worship, prayer, teaching of the Word, fellowship, the ordinances of baptism and communion, service to the local body through the development and use of talents and spiritual gifts. (*Ephesians 1:22-23; Acts 2:42-46; 1 Corinthians 14:26*)

Marriage, Sexuality, and Gender:

We believe that marriage is created by God to be shared between one biological man and one biological woman; this marriage is a lifelong holy covenant that is for the purpose of companionship, sexual intimacy, and procreation. Our created gender, sexuality, and sexual fulfillment are gifts from our Creator.

Men and Women are created in the image of God and stand equal in dignity and worth. God designed our gender that is recognized by our biological sex, as an unchanging reality essential to our identity as male and female. The fall distorted God's design for gender, but Jesus makes men and women, who differ in complementary and mutually beneficial roles, fellow heirs of God's eternal grace. (*Genesis 1:27-28; Genesis 2:24; Genesis 3:16-19; Matthew 19:4-6; Galatians 3:28; James 3:9; 1 Peter 3:7*)

If you are having trouble finding someone to cover your class(es) during a planned absence, please ask one of the Leadership Team members for assistance.
6. If you have an unexpected absence due to a family emergency or illness, call or text the Attendance Lead before 8 AM on Wednesday. Their phone number can be found on the “Important Phone Numbers” page on the website.
7. If you are a lead teacher and have an unexpected absence, a designated substitute teacher will teach your class. If possible, provide the materials and a plan for the class or suggest an activity or video that the substitute teacher can use in class.
8. Absences will be written on the white board in the library. If you are a teacher, check the board each morning before class so that you know if any of your students will be absent. Helpers should also look to see if they have been placed in a different class for the day.

9. If you, the adult, are unable to attend co-op due to illness or emergency, another family member (the other parent, a grandparent, an aunt, an uncle, an older sibling over 18) may bring your students to co-op. Email the Attendance Lead regarding who will be responsible for your child.
10. If you have a planned absence of more than one week during the trimester (consecutive or multiple individual absences collectively during the trimester), any adult who will be bringing your student will need to fill out an application and complete an interview with the Board of Members. Email the Attendance Lead regarding who will be responsible for your child and when.

12. Plan to be present for every class period, if possible. With only one meeting per week for 27 weeks, it is very important that students (especially high school students) be present during all class times, if at all possible. Emergencies and occasional vacations are understandable, but please make an effort to attend as much as possible.

CHILD SAFETY POLICY

1. Students fourth grade and older may be sent on short errands but should not be left on their own in the building before, during, or after classes.

9. Children's photographs should not be posted to any social media without their parent's consent.

DISCIPLINE POLICY

1. If problematic behavior occurs in a class in which you are the lead teacher, address the behavior discreetly with the student first. If the behavior persists, discuss it with the student's parent. If the behavior continues to be problematic, seek help from a member of the Leadership Team or a Board member.
2. If you observe problematic behavior of a child who is not in your class at the time, you may address the student first if it is something that needs to be addressed immediately (e.g. hurting another student, dangerous behavior, unkind behavior, mistreatment of the facility). 6. In the event of an emergency, stay with your class if it is during class time. Teachers and helpers are responsible for the children in the room to which they are assigned. Do not leave the classroom to find your own children. Trust that the adults with them will ensure they are safe.

Adding information to your profile will allow others to find you in the Member Directory so that they can see information such as which children belong to whom, children's ages, phone number, email address, mailing address, etc. You may add as much or as little information to your profile as you would like. Member profiles are only visible to members.

APPLICATION PROCEDURE

5. Following the application, an interview time will be set up by the Member Care Coordinator.
6. An interview will be conducted by three members of the Board of Members.
7. Following the interview, the three members will discuss the interview in a separate meeting and decide whether the applicants should be approved for membership. This discussion will not take place during the interview so that anyone who has reservations regarding the applicants will be free to express this privately.
8. The family will be notified via a phone call if they have been approved for membership or not.

ENROLLMENT PROCEDURE

1. Before each trimester, teachers will propose classes they would like to teach using the form on the website.
2. The Curriculum Coordinator will review the class proposals and decide which classes will be most beneficial to the majority of students and will plan the class schedule.
3. Once the schedule is set, registration will be opened and will remain open for a predetermined amount of time as announced via newsletter and on the website.
4. Classes will be filled on a first-come, first-served basis. Once the class is full, no more children will be allowed to register for that class.
5. A teacher's child will be allowed into the class, even if the class is full. The teacher will need to contact the Curriculum Coordinator to make arrangements in these cases.
6. Registration will be done on the website, and families will pay the trimester registration fee, as well as all class fees at the time of registration.
7. Parents will be allowed to choose any class for their student, regardless of age or grade if they believe it will be a good fit for their child. Please consider all information closely from the Class Details page as well as the syllabus to ensure that your children are, in fact, ready to participate in a class that is for older students.
8. Each registration is for one trimester only. Though some classes will continue throughout the year, if you would like to move your student to another class, that is allowed. If you would like to add your student to a class that has been held during previous trimesters, that is allowed as long as the student is able to keep up with the work.
9. Registration for classes should be taken seriously and be considered final unless there is a significant problem with continuing in the class until the end of the trimester. If there is a significant problem, contact the Curriculum Coordinator for help in finding a solution.
10. Families may register for as few or as many classes as they like.
11. The trimester family registration fee covers building rental fees, insurance, supplies, and other needs of the co-op.
12. Class fees will be distributed to lead teachers before the beginning of the trimester so that they can purchase supplies for their classes.

COOPERATIVE GUIDELINES:

DRESS CODE GUIDELINES

1. The Bible is clear that Christians should dress modestly, and this is the expectation at FFC.
2. Each parent has the responsibility of dressing themselves and their children in a manner that is God-honoring.
3. Adults should address modesty concerns with another student's parent, not the student.
4. If you have concerns regarding how someone is dressed, follow the above-stated procedure for conflict resolution which follows the steps in Matthew 18.
5. Our guidelines for modesty are as follows:
 - a. Any graphics and words should be God-honoring and respectful. Nothing offensive, inconsistent with Christian principles, promoting drinking, smoking, or illegal substances, and no profanity.
 - b. Clothing should be loose enough not to see undergarment outlines.
 - c. Chest, back, and upper thighs should be covered enough that undergarments should not be seen when running or playing.
 - d. Shorts should be worn under dresses or skirts if children will be in P.E. class or are likely to be doing other activities which may lift the skirt or dress.
